

Overview

Citi Korea's Graduate Associate Program is one of our regular hiring programs for analyst level with 1 to 2–years rotational development opportunity. This program is designed for high potential individuals who seek to accelerate their career in the banking and finance sectors. The program aims to accelerate professional development through structured rotations and stretch assignments in various functions and projects.

Program Structure

The GA Program is a regular hiring program for analyst level, consisting of 3–4 rotations in one of the following business areas: 1) Global Consumer Banking (GCB) 2) Institutional Client Group excl. Markets (ICG) 3) Operation & Technology (O&T). Upon successfully completing the program, you will be placed in the business that you rotated. Placement is based on a combination of rotation feedbacks and job suitability.
